3. Proposed Policy 6500C “Community Service Projects” was presented to the committee for its approval, and after a brief discussion, it was approved for submission to the RGB for Warning at its meeting, later this evening. The Chair will present the proposed policy. Discussion will be encouraged at the following meeting. MSP
4. Discussion took place regarding Bullying Prevention Policy #5003C, Student Anti-Harassment Policy #5002C and the Verbal and Physical Assault of Employees Policy #5065C, in light of the most recent training received by the Staff and Faculty, and the seeming gaps in our current policies relating to Employee Harassment. Superintendent Culkeen indicated that he would be attempting to include more information and procedure through the Employer/Employee Handbook rather than through Board policy in order to address these concerns.
5. Bruce indicated that review of current policies for changes in law can continue at the next meeting.

Meeting adjourned at 6:27 p.m.

Next Meeting: None Currently Scheduled

Respectfully submitted,  
Bruce Lee-Clark, staff
