

Southwest Vermont Regional Technical School District	Student Safety	Policy # 5400C
---	-----------------------	----------------

It is the policy of the Southwest Vermont Regional Technical School District to maintain safe conditions within our school and work sites.

The Superintendent/Director or his/her designee shall develop procedures to insure the maintenance of school facilities, paying particular attention to the following:

1. Safe conditions in the buildings and on the grounds.
2. Safe supervisory practices, especially in activities presenting potential hazards.
3. Offering safety education where appropriate.

The Regional Governing Board and CDC staff cannot guarantee student safety, and the school cannot undertake the responsibility of immediate supervision of all students, at all times and under all circumstances.
